Using the ingredients ancient Okinawan people loved, mugwort, guava leaves, bitter melon and turmeric, we have blended 23 varieties of wildflowers to create this select blended tea. In order to bring out the effectiveness of this blended tea, we added agarics mycelium and shiitake mycelium to create Houraisenju tea.

"Hourai" is the name of a legendary mountain in China, which gods live in.

"Sen" means a benevolent wizard living in the mountains. "ju" means a longevity.

the name of this product means the longevity tea for a benevolent wizard living in the legendary mountain.

Shuri fabrics

In Shuri which flourished as a down town in the period of Shuri kingdom has various fabric design pattern, Shuri fabric is a generic name of these designs.

Product information Blended mugwort, turmeric, bitter melon and guava leaf as main ingredients. Carefully selected 23 kind of Okinawan wild herbs and further blended with agarics and shiitake mycelia extract in a good balance.
